2015-16: Raise £500 to help construct a house.

Encourage fundraising initiatives at congregational level and send funds to WMC either directly or through the Presbytery. WMC committed to UMN to raise the equivalent cost of 50 houses by the General Assembly of 2016 (that is one for each Presbytery and a few extra!).

2016-17: Building the community

Our partner, UMN will continue their work with communities to build houses and develop area around them, e.g. footpaths, bridges, community buildings etc. They will send information which we will make available to congregations to track progress. Funds can still be raised at this point.

2017-18: Nepal Visit

A visit to Nepal for interested people from congregations will be arranged, to see the work of UMN and to meet the people who have been affected by the earthquake and benefited directly from the Church of Scotland funding.

Presbyteries, congregations, Guilds and youth organisations in Scotland have all responded to the challenge and have raised money in all sorts of creative ways!
